TABLE OF CONTENTS

Officers, 1982 i

Foreword iii

State of the Art of Sportsmedicine
Matthew P. Mackay-Smith 11

Metabolism and Enzymology In Exercise Physiology
James R. Coffman 15

The Practical Application of Various Equine Conditioning Techniques and Common Errors of Application
Tom Ivers 21

The Response of Highly Stressed Bone In the Race Horse
George W. Pratt, Jr. 31

Cardiopulmonary Adaptation to Exercise In the Horse—A Review
G. Frederick Fregin 39

Biochemical Parameters for Assessment of Conditioning In the Horse
Dennis W. Milne 49

New Training Methods and Interval Training to Prevent Lameness
Albert A. Gabel 55

Exercise Physiology and Equine Performance
Edward J. Zambraski 61

Gait Analysis
G.E. Fackelman and H.J. Seeherman 67

Electro-Stimulation In the Treatment of Non-Union Sesamoidal Fractures
George W. Pratt, Jr., Gustave E. Fackelman and Richard J. Sheehan 73

Drug Lag—Real or Imaginary? The Practitioner's Involvement
Terence Harvey 85

Management of Proximal Splint Fractures and Exotoses In the Horse
D. Allen and N.A. White 89

First Aid for the Fracture Patient
L. R. Bramlage 97

Response of Acquired Flexural Deformity of the Metacarpophalangeal Joint to Desmotomy of the Inferior Check Ligament
Ronald B. Blackwell 107

Bullous Autoimmune Skin Diseases In the Horse
Susan L. White 113

Function and Pathology of Synovial Fluid
Dean W. Richardson 117

Synovial Fluid Analysis: Applications In Equine Joint Injury and Disease
William P. Tew 121

Clinical Use of Synovial Fluid Analysis
William Moyer 129

Comprehensive Synovial Fluid Analysis—Discussion
C. Wayne McIlwraith 137

Open Discussion on Above Synovial Fluid Analysis Papers 141

Arthroscopy *Versus* Surgery: The Practitioner's Viewpoint
Willard D. Ommert 145

Arthroscopy *Versus* Surgery: Academic Viewpoint
H. Valdez 149

Symposium on Laser Medicine and Surgery

Interaction of Laser Light with Living Tissue
John C. Fisher 155

The Carbon Dioxide (CO_2) Laser In Surgery
Gregory T. Absten and Sandra Tolenon 165

The Nd:YAG Laser In Medicine and Surgery
John D. Williamson 169

Laser Biostimulation and Laser Acupuncture
John A. Goldman 171

Phototherapy
Richard E. Thoma 175

The Carbon Dioxide Laser In Otolaryngology
Robert H. Ossoff 179

Laser Therapy of Cutaneous Lesions with the Argon and the CO_2 Laser
Don E. Dismukes 181

Laser In Gynecology
Joseph H. Bellina 191

Laser Safety In Veterinary Medicine and Surgery
John C. Fisher 203

Laser Medicine and Surgery
Tom C. Montgomery 215

Position On Lasers In Veterinary Practice 217

Periosteal Transection for Correction of Angular Limb Deformities
J. A. Auer 223

Distal Sesamoidean Desmitis
William Moyer 245

Diagnosis of Cervical Vertebral Malformation In the Horse
Alan J. Nixon, Ted S. Stashak and James T. Ingram 253

Surgical Management of Cervical Vertebral Malformation In the Horse
Alan J. Nixon and Ted S. Stashak 267

Lameness Associated with the Lower Back and Pelvis
Edwin A. Churchill 277

Some Conditions of the Equine Stifle which Cause Lameness
Dennis M. Meagher 281

Prevention, Diagnosis and Treatment of Inflammation of the Distal Hock
Albert A. Gabel 287

Appendix I. In-Depth Seminars

A. Clinical Immunology

Host Resistance Mechanisms and Immune Response
B.N. Wilkie 301

Effectors of Host Resistance In the Gastrointestinal Tract
A. Dean Befus 309

Respiratory Resistance to Microbial Pathogens
B.N. Wilkie 317

Allergic Diseases In the Horse: Diagnosis and Treatment
Jill Beech 325

Prophylaxis and Therapy with Anti-Endotoxin Hyperimmune Serum Against Gastroenteritis and Endotoxemia In Horses
S.L. Gaffin, B. Baker, J. DuPreez, J. Katzwinkel, J. Fleming and J.G. Brock-Utne 335

B. Neonatal Disease: Therapy and Management

Neonatal Foal Diseases: Classification, Characterization and Predisposing Factors
Ronald J. Martens 341

Therapeutics of the Neonate
Jill Beech 359

Neonatal Treatment Techniques
H. Steve Conboy 369

Appendix II. Specialty Panels

A. Horse Show Panel: Duties and Responsibilities of the Official Horse Show Veterinarian
Chairman: John E. Lowe 389
Panelists: G. Marvin Beeman
Richard W. Fredericks
John G. Lengel
Martin Simenson

B. Broodmare Panel
Chairman: Don M. Witherspoon

Immunization Program for a Broodmare Farm
H. Steve Conboy 397

Some Observations On the Relationship of Histologic Inflammation In the Endometrium of Mares to Fertility
A.C. Asbury 401

Old and New Uterine Treatments for Broodmares
Rolph V.G. deGannes 405

Dystocia
Dan L. Hawkins 411

Remarks by Chairman Witherspoon 413

Questions and Answers 414

C. Question and Answer Panel: "What you always wanted to know about equine medicine but didn't know whom to ask"
Chairman: J. Clyde Johnson 417
Panelists: Edwin A. Churchill
James R. Coffman
Gustave E. Fackelman
Albert A. Gabel
William A. Moyer

Appendix III. Practice Tips

A Combined Cytologic and Bacteriologic Endometrial Examination in the Mare
Odd Knudsen 431

A Practical System for Radiography of the Lower Limb
J.G. Merriam 435

Emergency Splints for Fractures
J.E. Schneider 439
